

I am appalled to hear that Sinclair Broadcasting will be requiring their stations to air an anti-Kerry documentary days before the election.

This sounds like a clear violation of their responsibility to use the public airwaves in the public interest. It's not up to them to decide the public interest, or to influence elections.

Is there anything you can do to stop them? Perhaps if you threaten to revoke their license?

Please do what you can to rein in Sinclair Broadcasting and protect the public good.

Thanks.
